

Child Sponsorship

The need for a safe haven for abandoned, disadvantaged and orphaned children is very great in Cambodia. There are many children currently at our centre who would love you to sponsor them. **Hope for Cambodian Children Foundation** accepts children who are excluded from other agencies, particularly children that are HIV+.

95% of the money you donate goes directly to our centre in Cambodia. When you sponsor a child you give them the gift of a secure, homelike environment, access to health, education, life skills and hope for their future. You will make these children feel wanted, important and they will be so grateful to have special people in their lives that care particularly about them and confident that when they leave the centre they will be able to provide for themselves and others.

Child Sponsorships are available at 3 levels for every child at our centre:-

► **Supported Accommodation & Care** sponsorship provides accommodation, food, clothing, personal hygiene items, the salaries of the Cambodian house parents and administration staff. Your generous sponsorship support assists in providing a safe haven, a positive start to life, access to quality facilities and the hope of a bright and fulfilling future for these beautiful children.

► **Education & Vocational Training** sponsorship provides for your child's educational needs, including a bicycle to ride to school, uniform and books. Your sponsorship also supports education programs at our centre, such as the return to school program for street kids and after school classes in English, mathematics and science.

► **Health & Disability Services** sponsorship supports our on-site medical centre with a full time Cambodian nurse (supported by visiting volunteer nurses and doctors) and a dental surgery established and operated by visiting volunteer dentists. When you sponsor a child you will be providing regular medical checks and immunisation, medical management of HIV positive children, dental treatment and ongoing dental hygiene, medicines, medical supplies and counselling support

When you sponsor a child you will receive a **photo and profile of your child** and on a regular basis receive reports on their progress. For privacy reasons medical information will not be given.

Child Sponsorship Form

I hereby authorise the **Hope for Cambodian Children Foundation Inc.** to charge my credit card **EACH MONTH** for

<input type="checkbox"/>	Supported Accommodation & Care	\$49.00

Post: Hope for Cambodian Children Foundation Inc, PO Box 889 Surry Hills NSW 2010 or
Fax: (02) 8580-5162

Alternatively, you can make your application for child sponsorship on our website
www.hopeforcambodianchildren.org

Our **Outreach Programs** support children and families in poor and remote areas of Cambodia by providing basic health services. In particular, we are testing pregnant women for HIV and for those positive providing the necessary medical support to prevent the transmission of HIV to their baby.

Please send me details of the Shades 4 AIDS campaign to prevent childhood HIV
